France**

L'Isle Jourdain, 16 January 2014

**Attestation of compliance of REC 834/07 certified  
wine  
with the terms of EU-US Organic Equivalency  
Arrangement**

Dear operator,

**ECOCERT France SAS** after inspection hereby confirms that the products listed below comply with the requirements of the United States of America's National Organic Program (NOP) regulations at 7 CFR part 205 regarding the rules of winemaking:

- Only substances listed under 7 CFR 205.605 are used in accordance with the restrictions specified in this section
- The category requirements for "100% organic wine" ; "organic wine" and/or "wine made with organic grapes" have been respected

<b>Product to be marketed</b>	<b>Category of certification :</b>
	- 100% organic wine - organic wine - Wine made with organic grapes
Red wine - Vin rouge Francs Côtes de Bordeaux, Castillon Côtes de Bordeaux, Bordeaux 2009, 2010, 2011	Wine made with organic grapes

This document is not a NOP certificate. It is valid for the above mentioned products only.

Yours sincerely,

Certification Manager, Jérôme VIEL
